And Help Spread the Word

Please forward this email to your theater friends and associates and help us keep in touch!

Greetings!

We're sure you've heard about the Jefferson County, Colorado protests by teachers and students because of the newly elected board who is proposing a curriculum committee that would promote "positive aspects" of the US and its heritage and "avoid material that would encourage or condone civil disorder, social strife or disregard of the law" (under that definition, it sounds like they would not be able to teach about the American Revolution!)

If that phrase "curriculum committee" sounds chilling and Orwellian, it is! Snowlion Rep brings such a panel to life in "Moral & Political Lessons on 'Wyoming'" to hilarious and moving effect.

Opens in 2 weeks!

Sincerely,

Al D'Andrea, Artistic Director
Margit Ahlin, Producing Director
