Greetings!

We are hard at work writing new, exciting theater pieces that reflect what's going on in our society RIGHT NOW! Meanwhile, PLAYLAB continues to break new ground, hitting the airwaves this May. And please know that we are incredibly honored to have you part of what we love to do!

Sincerely,

PLAYLAB hits the airwaves this May!

CTN channel 5 in Maine is supporting PLAYLAB this coming month by airing the performance of three new short plays by David Susman, Sarah Barlow, and Harlan Baker. After one rehearsal, the actors "bring the spirit of the play to life" while reading the freshly written plays off the page. These presentations are important parts of the play development process for the playwrights.

Tune in to CTN channel 5 this May to see the process unfold:

THURSDAYS in May at 7 pm
