Admit it - she scared you!

I'm talking, of course, about Maine's own Margaret Hamilton - a/k/a The Wicked Witch of the West!

If you think you know Hollywood - if you think you know Maine - if you think you know The Wizard of Oz - there's so much more to learn in the staged reading of the new play *My Witch: The Margaret Hamilton Stories!*

FRIDAY, December 7, during Snowlion Rep's first ever fundraiser, come "meet" Margaret Hamilton - you'll be moved, you'll laugh, you'll learn - maybe you'll even get a little scared! But you'll love her - guaranteed!

Sincerely,

Al D'Andrea, Artistic Director

Mesmerized A World Premiere Musical

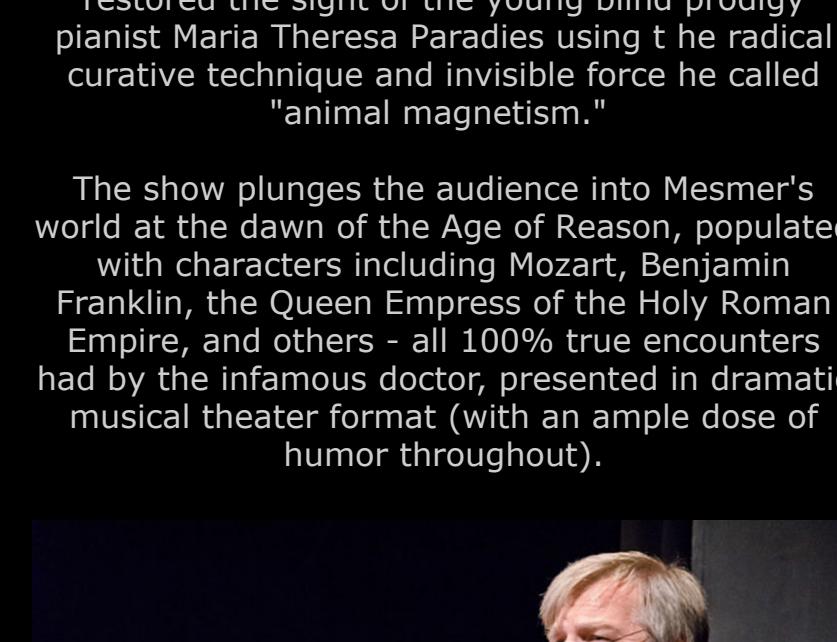

Snowlion Rep will be presenting a world premiere musical as the feature show of the upcoming season -

Mesmerized

(by Al D'Andrea, MK Wolfe, and Darryl Curry).

A concert performance of this new musical was seen at the first PortFringe, and the *New Maine Times* called it

"a triumphant night of theater"

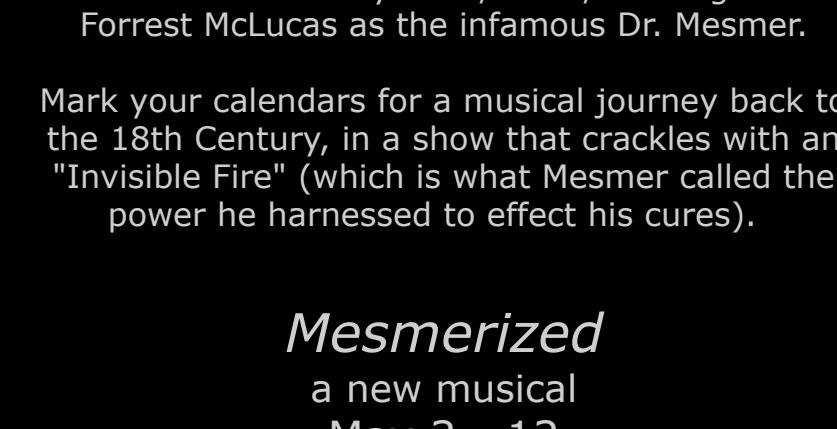

Set in 1777 Vienna, *Mesmerized* is the true story of Dr. Franz Anton Mesmer, now regarded as the father of modern hypnosis, and the scandal that erupted in 1777 Vienna when he restored the sight of the young blind prodigy

pianist Maria Theresa Paradies using the radical curative technique and invisible force he called

"animal magnetism."

The show plunges the audience into Mesmer's world at the dawn of the Age of Reason, populated with characters including Mozart, Benjamin Franklin, the Queen Empress of the Holy Roman Empire, and others - all 100% true encounters had by the infamous doctor, presented in dramatic musical theater format (with an ample dose of humor throughout).

(from the concert performance of "Mesmerized")

The Studio Theater presents, at the Portland Ballet

Forrest McLucas as the infamous Dr. Mesmer.

Mark your calendars for a show that crackles with an

"Invisible Fire" (which is what Mesmer called the power he harnessed to effect his cures).
